Looks like we're alright and all right here
Pass a beer
One more long day down, the coast is clear
Pass a beer

Gotta do what we all gotta do to get to the part where
we get to cut loose
Cut loose

Pass a beer
One more long day down, the coast is clear.
Pass a beer (Pass it up! I'll take another man)

Hey! Everybody listen.
Everybody out there, anybody missin'
Hold em up, We on a mission

She looks hot, but my vision ain't too clear.

Pass a beer
One more long day down, the coast is clear
Pass a beer (Pass it up!)

It looks like we're alrighttt and all righttt here
C'mon brother man, Pass me a beer
One more long day down, the coast is clear
Man, Pass. Me. A. Beer. or two or three or four or five or
six...
