Girl I know it's late for me to be callin'  
But what else was I gonna do  
I wake up with a heart full of love  
And no one around to give it to

It's just me here staring up at the ceiling  
Feelin' like a watch that's been wound too tight  
Nothin' but the sound of the box cars rumblin'  
In the middle of the night

And I'm wide awake thinkin' bout you baby  
I'm wide awake and I'm goin' crazy  
I'm wide awake  
Now honey how about you?

Don't ya ever feel like this ole rock we're  
ridin'  
Is only ruinin' to wear yah down  
And don't ya wish that you had someone there  
To wrap your lovin' arms around

And I'm wide awake thinkin' bout yah baby  
I'm wide awake and I'm goin' crazy  
I'm wide awake  
Now honey how bout you?

Ah honey how bout you?

And I'm wide awake  
Oh, I'm thinkin' bout ya baby

I'm wide awake  
Ah, and I'm goin' crazy  
I'm wide awake  
Now honey how bout you?

How bout you baby?

You know I'm wide awake  
And I'm thinkin' bout ya  
I'm wide awake  
Oh, and I'm goin' crazy

Iâ€™m wide awake  
Now honey how about you

How bout ya baby?
