I wouldn't change a thing about you  
I wouldn't ask the green to be blue  
I wouldn't ask the birds not to fly  
Or change a thing in the sky  
Or turn hello to goodbye

I wouldn't ask the birds not to sing  
I wouldn't ask the phone not to ring  
I just couldn't ask the wind not to blow

Or a boat not to row  
Or a trio to go solo

You are amazing just as you are  
You're a flower in the spring  
You're the light each morning brings  
And I adore you just where you are  
You're not the star that I wish on  
You're the wish on my star
