I can't control it baby
I know you can control it baby
Oh baby I can feel you dancing with me

I gotta get on the dance floor
It keeps asking me for more and more
I never knew it happened before it did
I could have let you go before that bid

I can't control it baby
I know you can control it baby
Oh baby I can feel you dancing with me

Party all night
Party all day
Dance floor battles gonna be my way
I never knew it happened before it did
I could have let you go before that bid

I can't control it baby
I know you can control it baby
Oh baby I can feel you dancing with me

Party all night
Party all day
Dance floor battles gonna be my way
I never knew it happened before it did
I could have let you go before that bid

I can't control it baby
I know you can control it baby
Oh baby I can feel you dancing with me
