I'm getting crazy over you girl
It feels like I'm in love again
Makes me wanna scream so badly
Because I'm your #1 boyfriend
My daddy thinks you're the right girl
Definitely I think it's true
If someone takes you away
I'll be a superhero for you
I'm gonna let you be mine, my valentine
My sunshine
I'll make sure that you and I won't cross that that line
cause

Chorus

I can't get cha out of my head
Everytime I look at cha
I'll go crazy
Puts me in a daze
When I'm with you I'm so amazed
Cause I can't get cha out of my head
Everytime I look at you
I'll need some loving that'll keep me up
Nobody cannot break us up

My parents think that you're the one
And I agree
Before the rain and the storm,
You are always there to console me
I guess our world is connected
Cause it seems like everything is so cool when we're
protected
I guess that means were in love cause maybe we've
come so far
I need you more than ever than to tear us apart

Chorus

I can't get cha out of my head
Everytime I look at cha
I'll go crazy
Puts me in a daze
When I'm with you I'm so amazed
Cause I can't get cha out of my head

Everytime I look at you
I'll need some loving that'll keep me up
Nobody cannot break us up

Bridge

Together we can stop our lives going away
I just that our love won't go another way
Another way...

Chorus

I can't get cha out of my head
Everytime I look at cha
I'll go crazy
Puts me in a daze
When I'm with you I'm so amazed
Cause I can't get cha out of my head
Everytime I look at you
I'll need some loving that'll keep me up
Nobody cannot break us up
