Thought it was too good to be true
To be here stuck in with you
You left me for him
You should be ashamed of yourself
I thought it was over this time
So badly, I've lost my mind
You cheat,
Don't wanna be with you anymore

You're so cold
So cold
So cold
So cold
Brrrr 4x

Verse 1 Repeat

Bridge
So disgusted
So busted
Up against the world
Here without you now
My life is so bold
But you are so c-c-c-cold!

Chorus 5x
