Now It is time
For my fame
So don't go back
It will never be the same
So this is who I am
But you don't understand
U think that it's okay
But no it's not!
Well she's the one that you've been looking for
Leave me alone and get on the floor

Credit man
Credit man

I got the credit
He got the fame
As long as I got
His whole damn name
The miss is coming to here
This heartbreak is sincere
So Don't Try me

Credit man
Damn I'm mad
Credit man

Riffing...

I got the fame
You got the credit
That's what you get
But guess what
I set it!

Credit man 10x
