[Verse 1:]

I Better not get in your way
I need myself the most
Having fun riding from coast to
Coast
This is me as you can see
Ths life is all about me

So I gotta say do I need you (no)
Can I Have you (no)
Should I love you
Man I don't know

[Verse 2:]

So I decided not to get in
Your way
I'll just do it my way
I'll just get away from you
I'm not the 1 for you
Do need me yes you do

But it's too late to come
Because u don't know how to treat
Me right so it's time to say bye bye bye baby
So can I be without you
Let me know rght now
So let me have a chance to be right
Come on and get me down
Legally I am in love with you
Fon't know what to say
And don't know what to do
I'm closing in lemme get what you got whoever you are
is wehat you're
Not

[Chorus]
