The crowd is screaming, I can feel it now
I feel the cheering, it's getting too loud
They want more, but they had a little dose
Of what's next, it's getting to close

The days are shorter, the nights are longer
I feel the urge, it's getting stronger
They want it now, they'll get more
I guess I'll give this crowd

An encore
An encore
An encore

An encore
An encore
An encore

The nights are colder, the days are hotter
My days are over as a number one spotter
They want it now, they'll get more
I guess I'll give this crowd

An encore
An encore
An encore

I guess I'll give this crowd
An encore
An encore
An encore

The crowd's screaming my name
The crowd's going wild
The show's not over
Say it, say it loud.

They got what they want
They'll get a piece of me
Once again, I'll show them the real me,
Forget the past
It's over, no more.
I'll give this crowd

An encore
An encore
An encore

I guess I'll give this crown
An encore
An encore
An encore
