Baby I don't wanna make this any harder  
But if you were stronger  
You would be popular  
The distance began to make against this  
Make me wanna hate this  
I would be sober

I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you...  
I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you... I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you...

Baby I gotta call my best friends  
And tell them what's happening  
So you better make this a regret  
Maybe if you would've talked loudly  
I would've been your baby

And kept you consoled  
So...

I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you... I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you...

Baby This is so picture perfect  
Look at your hair  
Makes me want to do some  $E=mc^2$   
Maybe... Maybe if you would've talked silently  
I would've been your baby  
And kept you consoled

So...

I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you... I gotta evacuate  
Can't wait to discharge you  
I gotta evacuate  
Can't wait to remember you...
