Outside in the dark
Without me holding you tight
Without me you just gotta be brave
No matter what you'll know I'll always be there
Ride with me on the ferris wheel
We'll be ok
Don't be scared
Cause remember that I'll always be there
A crazy experience between you and me
Let's have some fun
And then you will see
That I will love you
And take you anywhere you wanna go
What's the matter with the smoke and glass
Is that too much for me to ask
Is it too hard?
Ride with me on the ferris wheel
We'll be ok
Don't be scared
Cause remember that I'll always be there
Does my life have to turn so topsy turvy
I feel a whole different than the way I used to be
If it was only you and me
I'll try to make you more than happy
Ride with me on the ferris wheel
We'll be ok
Don't be scared
Cause remember that I'll always be there
