I'm brave and I'm not scared
I'm happy you aren't there with me on the plane
I'm not afraid of heights
I'm not gonna ruin my life over you I'll go insane
It doesn't make me no never mind
I just gotta press rewind
Don't make this too difficult for me
Because I'm packing my bags, leavin this town
Gonna find me a brand new sound

If I take a destination
To the flight of darkness
I'll be the bravest in the world
I'm mighty and I got the power
Don't rain on my little shower

Packing my bags, leavin this town
Gonna find me an brand new sound
I wanna fly away from here
Don't even bother following me
I'm over you baby
Son't try to hesitate
Don't try to matriculate
Because it's unbelievable that I'm leavin
Still can't remember why
So I'm Packing my bags, leavin this town
Gonna find me an brand new sound

If I take a destination
To the flight of darkness
I'll be the bravest in the world
I'm mighty and I got the power
Don't rain on my little shower
Flight to darkness 8x
So I'm Packing my bags, leavin this town
Gonna find me an brand new sound

If I take a destination
To the flight of darkness
I'll be the bravest in the world
I'm mighty and I got the power
Don't rain on my little shower

Flight to darkness 8x
So I'm Packing my bags, leavin this town
Gonna find me an brand new sound
