Funny girl
Funny girl
You're the one that brightens up my day...

Funny girl
Funny girl
There is nothing, nothing that can get in our way.

Baby I've been looking for love
For about one or two years
And now I've finally got you

Baby you were the one that caught my eye
And baby It's no surprise
Cause now I finally have you.

(Repeat 2x)

I'm not crazy
I'm not funny
I just want more of you honey.
I can never get enough
Of your love.

Baby you have finally got me
No one and anyone is not gonna stop me
You are just like the star from up above...
Keep me here with you
I wanna be with you

Not crazy
But funny
Funny Girl (3x)
