Getting Within 5X

See I was just an 20 year old  
Looking for my fantasy  
Now It's time to take out the trash  
And time to see the real me  
Paparazzi is on my hands  
And I'm about to settle it out  
The popularism that that got me into this was making  
me so  
Unpredictable

I'm getting within this  
I'm getting within all of this  
I'm leaving you and go to my dreams 2x

See I was just an 19 year old  
Looking for my fantasy  
Now It's time to take out the trash  
And time to see the real me  
Paparazzi is on my hands  
And I'm about to settle it out  
The popularism that that got me into this was making  
me so  
Unpredictable

I'm getting within this  
I'm getting within all of this  
I'm leaving you and go to my dreams 2x

It's my life  
And I can do whatever without you  
Without you  
Without you  
Leave me alone and I can finish this without you  
Without you  
Without you

I'm getting within this  
I'm getting within all of this  
I'm leaving you and go to my dreams 6x
