I've made my choice  
Can't take away my voice  
Maybe because you wanted me to  
I'm running out of time  
Now I'm terrified  
So baby try to get your loving out of my mind

God loves ugly  
Because of you I'm beautiful  
God makes me beautiful  
I can tell  
People don't have a way with words  
Something's gonna happen to them...  
They will never get a chance to say  
That they are beautiful

Trying to make this work  
But now I'm concentrating for a tomorrow  
Don't think that I'm impossible  
Because I'm not full of sorrow  
I know people know who I am  
But I understand

God loves ugly  
Because of you I'm beautiful  
God makes me beautiful  
I can tell  
People don't have a way with words  
Something's gonna happen to them...  
They will never get a chance to say  
That they are beautiful

Still I'm back  
Without a trace  
I may be ready to join this race  
I love you more and I have no pace  
But People don't care about this waste

God loves ugly  
Because of you I'm beautiful  
God makes me beautiful  
I can tell

People don't have a way with words  
Something's gonna happen to them...  
They will never get a chance to say  
That they are beautiful
