Goodbye Hello Good day 8x

I can feel you inside my heart
In my dreams, in my life
And I can't get another heartbreak
My heart can cut like a knife
My pressure is high
You got me going high
Not because I'm fly
So hello good day

Goodbye Hello good day 8x

So bored
Listening to the radio
Trying to memorize the words
Can't wait until the day ends
Cause I can't ruin the world
My pressure is high
You got me going high
Not because I'm fly
So hello good day

Goodbye Hello good day 8x
Goodbye Hello good day 8x

So now I think it's time to say goodbye...
