I've been in love but I've never was in love with  
someone  
I found a lover who made an promise and said She'll  
never leave me alone  
We finally made an relationship I'm so scared that It'll  
end up as an friendship and no relationship

Chorus

Have you ever been in love and was dumped on the  
second day  
Have you ever been told that you'll be loved in any way  
Have you ever been in love and your relationship was  
going wrong  
This is why I'm singing this song

I never wanted to let you go  
But my heart told me so  
I think that you'll be on your own  
I'm already in love now so I'm not being alone  
We made our relationship  
I'm not scared That It'll end up as an friend ship  
No relationship

Chorus

Have you ever been in love and was dumped on the  
second day  
Have you ever been told that you'll be loved in any way  
Have you ever been in love and your relationship was  
going wrong  
This is why I'm singing this song

Have You Ever 8x

Bridge

No one will get in my way  
I'll be fine, I'm ok  
Sometimes I think about us  
But you're not the one I trust

Chorus

Have you ever been in love and was dumped on the  
second day

Have you ever been told that you'll be loved in any way  
Have you ever been in love and your relationship was  
going wrong  
This is why I'm singing this song
