My heart has been so torn  
Since the day Little Boy Blue played his horn  
Heartbreaker, Love maker, what can I choose  
Baby I win Baby you lose  
Without you I'll be so happy  
Baby I know you can make this work.  
Baby I know you make it work

Hold down  
I'm in a hold down  
Baby don't put me on breakdown  
All because of you I'm leaving town  
It's over  
I'm sober  
Baby you wanna take me by the hand  
It's too bad that you can't understand  
That I'm in a hold down

Man I should've made this work  
I can't believe I began to try to trust you  
Ooh Baby what can I Do  
Stuff just came right out of my mind  
Can't believe you played me that one time  
You are not my sunshine anymore  
I hope you walk right out that door  
So baby what'cha looking for  
Heartbreaker, Love maker, what can I choose  
Baby I win Baby you lose  
Without you I'll be so happy  
Baby I know you can make this work.  
Baby I know you make it work  
Now baby right now I just hate your guts  
I think I'm going insane  
I really can't take this it really sucks  
Tell me what's his name  
Go on with that somebody  
No matter who he is  
I'm ready for you to go  
So baby leave without me...

Hold down  
I'm in a hold down

Baby don't put me on breakdown  
All because of you I'm leaving town  
It's over  
I'm sober  
Baby you wanna take me by the hand  
It's too bad that you can't understand  
That I'm in a hold down
