Can't take this away from me
Cause I am a star
I don't really need you baby
So I don't care wherever you are
So baby it's over
I'm fine with that
But I can make you mad
One day
I'm going through an
Evacuation
Demonstration
Turbulation
Interpretation

My love, your love, our love
Is frozen solid
We're so stupid in love
Birds fly up above
I can't take this much longer
Look how you made me
I don't want to melt it all away
