This is for my people  
Who don't need no man  
Raise your hand up  
If you understand  
This is who I am  
This is who you are  
Follow me if you are a  
Star

[Verse 1:]  
I know what's going on  
Something's bothering you  
Tell me what's wrong  
Don't cry for long  
I love the way you talk to me in  
Peace  
No one can get me  
No one can get you  
You talk talk so sweet

[Chorus:]  
Nothing you can say to me  
Because it's not fair to me  
All you know is blah blah  
Blah blah blah  
Nothing you can say to her  
Let her go leave her alone  
Nothing that you can refer...  
Nothing  
Nothing  
Nothing you can say to me...

[Verse 2:]  
When life passes by  
Don't you worry about

A thing you can reach to  
The sky  
It's too hard to leave home  
Even though all the shit  
I hate I'd rather be alone

[Chorus]

[Repeat Intro:]

This is for my people  
Who don't need no man  
Raise your hand up  
If you understand  
This is who I am  
This is who you are  
Follow me if you are a  
Star

[Rap:]

Why you getting mad boy  
You the the one who teased her,  
Hit her, raped her did everything to her  
I'm the one who should be mad nigga  
Better back down before I get my gang on  
You leave it all alone try to zip them lips and listen  
To me  
You just don't know how love can be

Nothing...

[Chorus]

DTP nigga!!!
