Pack your shit  
It's over with  
Over and done  
No more fun  
Let go of the past  
It never will last  
So leave in a dash  
I'll call a cab

We could've had it all  
But you left it all away  
What was I thinking for letting you stay  
It's more depressing than it was  
I feel like I'm sober

Baby, it's over  
Over  
Over  
Baby, it's over  
Over  
Over  
Forget the cards  
The candy  
The flowers  
The hearts  
Cause when I gave you one  
You just tore it apart  
It's over  
Over  
Over this time

Since the days gone by, you've tried to stay  
Go catch a plane, go far away  
Far away, away from me  
You treated me like dirt, it comes back around, you see

We could've had it all  
But you left it all away  
What was I thinking for letting you stay  
It's more depressing than it was  
I feel like I'm sober

Baby, it's over  
Over  
Over  
Baby, it's over  
Over  
Over  
Forget the cards  
The candy  
The flowers  
The hearts  
Cause when I gave you one  
You just tore it apart  
It's over  
Over  
Over this time

Can't let it go, but I can let you go  
Can't let it be, you're just gonna wait and see  
You'll realize the things that you've done to me  
It's over this time and I know you'll be in a moment in  
hell, baby.

Baby, it's over  
Over  
Over  
Baby, it's over  
Over  
Over  
Forget the cards  
The candy  
The flowers  
The hearts  
Cause when I gave you one  
You just tore it apart  
It's over  
Over  
Over this time

Baby, it's over  
Over  
Over  
Baby, it's over  
Over  
Over  
Forget the cards  
The candy  
The flowers  
The hearts  
Cause when I gave you one  
You just tore it apart

It's over  
Over  
Over this time

No  
No  
Baby it's over
