MR. TRACEY

I'm a rockstar
Plus a popstar
Never been a kind to be the one with the 5-stars
I got a 5-star Nicki and a 5-star car
I ride in my 'Gini
And get millions of bars. (HA)
I got a girl who needs all the diamonds and pearls
A shopaholic with the Prada, the Gucci for the world
The Dolce, the bana, It's a shop-a-holic rama
Ain't the type to argue with the baby mama drama
I may be white but I try to be Slim Shady
Have a couple of babies but I call em as ladies
I don't give a damn about who I used to be at first
All the haters can go to hell from better to worst
I'm not the one to play with
Got a problem?,
Come and tell me now,
I'll knock you out with a baton and then take a bow
The crowd will be screaming, and clapping and
whistling
It's my performance, Thank you, don't even mention it.

FREESTYLE:

I'm a fly guy
My name is Antonio Fargas
Girls be shaking that
Boys be passing that gas
Eww, smell it?
Come closer you can tell it
I'm a Freestyle
Got a blue tile
To match my shirt
I got 500k
Got it to make my own first
I'm a trouble man
Girls and parents just don't understand
I'm a rubberband man
I'm already to get a couple of fans
I'm ready for the man
I'm gonna take em to the cans
Someone never wants to get a fan

It's smoky, cigarettes are banned

ALIAS:

Pass the mic

Pass the mic

Pass the mic

Like they used to say

All these guys got something to say

Nerds ain't got nothing their way

I'm about to pass this mic to Mr. Ballas

BALLAS

Hey guys

It's your king

Psych your king is the one with the the ring

He's getting married

Haha

Congratulations

Here's a demonstration to go with your education

You're a liar, a cheater, a woman beater, a defeater, a
destroyer, not a leader

You're gone crazy

Try to be so lazy

You're shopping at Macy's

Imitating Stacy

The girl with her mom

That girl was the bomb

He's the kind to Tom

For the lover to be a Tomboy

A girl with full of joy

A man with a dildo and a day with with the decoy

JAKE TRACEY

Hey, Hey

Everybody starting passing the mic

Seeing what they got to be a winner

Just to see what a girl got in her

Try to impress me

Don't even test me,

So just pass the mic

SHERRY JONES:

I'm the girl in your life

Old enough to be your wife

Living in a world that cuts you like a knife

My name is Sherry

A woman you can carry

To the threshold

Someone you can impress, detest, depress on

Love is a game to men

They're just mad because they have little mini-men

Than Dr.Evils
The big Dr. Evil
The guy Austin Powers
Try to defeat him in a sequel
Pass the mic...

SHAREE JOHNASSE:
It's over and done with
Pass it on
It's gone for a minute
So pass it on
It's my time now
Turn the volume up...
Come on

LIL' FERN:
It's the girls vs. the boys
The pass the mic with joy
Educations for the toy
Diet brings the soy
The soy brings the sugar
Come give mama some sugar
You're coming and going without overflowing
Keep on going
Yes never stop flowing
I'm the queen of rap
You piece of crap
Full of trash
I have millions of cash

(JAKE TRACEY) JENNIFER RHODES
Well I guess that's all
(Go and leave)
It's time to make a fall
(And make a phone call)
If you don't want to make it
(Then call us later)
Well see you later
(So pass the mic)
