Jake:

Taken in a daze with a maze full of money
Over and out I win wheres the money
Can't really get into this race
I'm walking back against the traces of my heart falling
down
I'm only human
I can't remember the words that I have to say to you
Because I'm getting older
And I can't hold on much longer
I just can't remember the words
My love is stronger than anyone elses
Just remember that I don't

Know...

But I got power
In my strength
In my veins
In my blood
Power
Even if it takes much longer
I'm strong
And I'm brave
Remember Who I am and who you are

Nick:

I can't remember the words that I have to say to you
Because I'm getting older
And I can't hold on much longer
I just can't remember the words
My love is stronger than anyone elses
Just remember that I don't

Know...

But I got power
In my strength
In my veins
In my blood
Power
Even if it takes much longer
I'm strong
And I'm brave

Remember Who I am and who you are

Jake:
