Nightmares, dreams, what is the difference
I'd rather think of the misses and kisses
I really want to romance the night away
Let's have a dance
Settle for a kiss on Valentine's Day

I really want to take a chance, may I have this dance
With you
Baby baby
Spin that record...

I'll delete all the history all out my brain of that
someone
I'm about to go insane...
Baby, don't runaway
I'll try to make you say

Baby play that song
(That record...) 8x
I really want to romance the night away
Let's have a dance
Settle for a kiss on Valentine's Day

I really want to take a chance, may I have this dance
With you
Baby baby
Spin that record...

Still in love
Baby play that song
Spin that record 4x
