You are my lover  
You are my friend  
I wanna be with you till the very end  
I need you before my heart starts to mend  
Oh baby

Jake:  
Saturday night was a crazy night  
Full of girls and some guys were at a party last night  
I didn't see you there  
What the hell is going on  
I thought you promised me that you wanted this so long  
Now I'm in shock  
My heart is lock  
Oh baby

ZTD:  
Saturday night was a crazy night  
Full of girls and some guys were at a party last night  
I didn't see you there  
What the hell is going on  
I thought you promised me that you wanted this so long  
Now I'm in shock  
My heart is lock  
Oh baby
