You always tear me apart
Try to take away my heart
But you can't do that to me
Because your selfish,
No one can get in my way
Them boys they got me what can I
Say? you won't help me because your
Selfish
You always get what you want
Until you be mean
I hope you listen to what I'm saying
Cuz it's not easy being seen
I'm not complete
I'm full of roses
And damn the poses
All you've done
Has made me number one
Being the best I can be because I'm not
Easy being seen

Selfishly attentional any way
Unfictional things I've been looking for
To protect myself
To protect myself
To protect myself
