Through it all  
Without a fall  
Never knew I lost your call  
I had a love  
Right from above  
Looking at your love  
And searching for doves

It's so damn sophisticated  
It's too damn complicated  
It ain't fair at all  
Never knew your love was over a fall

Gone away  
Till the day  
I had to say  
It's not Ok  
I had a love  
Right from above  
Looking at your love  
And searching for doves

You made this world a better place for me one day  
And now you're gone away  
Why couldn't you stay  
Okay  
I'm not gonna cry  
Men don't cry  
There's no tears in my eyes  
I never would've told you a lie  
I sit down with a sigh

It's so damn sophisticated  
It's too damn complicated  
It ain't fair at all  
Never knew your love was over a fall

It's so damn sophisticated  
It's too damn complicated  
It ain't fair at all  
Never knew your love was over a fall

You made this world a better place for me one day  
And now you're gone away  
Why couldn't you stay  
Okay  
I'm not gonna cry  
Men don't cry  
There's no tears in my eyes  
I never would've told you a lie  
I sit down with a sigh

It's so damn sophisticated  
It's too damn complicated  
It ain't fair at all  
Never knew your love was over a fall

It's so damn sophisticated  
It's too damn complicated  
It ain't fair at all  
Never knew your love was over a fall

Through it all  
Without a fall  
Never knew I lost your call  
I had a love  
Right from above  
Looking at your love  
And searching for doves
