[Singer 1]

What have I done  
To end it this way  
I thought I was doing right  
I thought I was doing OK.  
What did I do  
To hurt you so bad  
Did I break your heart  
Why are you so sad  
I guess this is the end  
I've really went to far  
We always battle, my love  
And you end up with the scars

Is this the end of the line  
Don't let your heart take you away from me  
Is this the end of the line  
Don't let your mind take our love away, baby  
Is this the end of the line  
I'll find a way  
To make you love me once again  
Don't let it be  
Don't let it be the end of the line

[Singer 2]

You've broke my heart  
Left it on the ground  
Just when I thought, you would be around  
Have I made a mistake?  
Should I let you go,  
My mind says "Yes"  
But my body only says no.  
I don't know if this is over  
You've really went to far  
We always battle, my love  
And you end up with the scars

Is this the end of the line  
Don't let your heart take you away from me  
Is this the end of the line  
Don't let your mind take our love away, baby

Is this the end of the line  
I'll find a way  
To make you love me once again  
Don't let it be  
Don't let it be the end of the line

[Singer 1]  
Don't let me go

[Singer 2]  
Why should I stay

[Singer 1]  
What about us?  
Don't let it all go away

[Singer 2]  
Why is it so hard  
For you to understand  
That I've done everything  
To be the best I can  
For you  
Don't you know that I'd do anything  
For you  
It's been a rocky road between me  
And you

[Singer 1]  
Is this the end of the line...  
Is this the end of the line

Is this the end of the line  
Don't let your heart take you away from me  
Is this the end of the line  
Don't let your mind take our love away, baby  
Is this the end of the line  
I'll find a way  
To make you love me once again  
Don't let it be  
Don't let it be the end of the line

[Singer 1]  
Don't let it be  
Don't let it be  
Don't let it be  
Don't let it be  
The end of the line.
