Ladies and gentlemen...  
The moment you've been waiting for...  
I Welcome you  
The Grammy award winner of 2005...  
Jake Tracey!

Ohh  
Ohh  
Ohh  
Ohh

Wait until tonight  
The party starts midnight  
Told you I was coming back  
Now my heart is not out of wack  
This moment can't wait  
So let's matriculate  
The stars and twilight come together  
We'll be rockstars forever and ever...

But one little thing I wish I had  
My girlfriend...  
This would've been a little fun to me  
If I had you  
You

You  
You  
This would've been a little fun to me  
If I had you...

Party till the sun in the highlighted  
Party till the moon is permanent black  
No love attack...  
Believe in yourself  
And have a great time  
But It would be one thing I need

This moment can't wait  
So let's matriculate  
The stars and twilight come together  
We'll be rockstars forever and ever...

This would've been a little fun to me  
If I had you  
You  
You  
You  
This would've been a little fun to me  
If I had you...
