Welcome one welcome all Welcome to the amusement park Full of laughter, games and rides Just remember fun is on your side.

Take a ride on the ferris wheel or the rollercoaster of death Play carnivale games and play with out a theft Remember not to forget your prize

Welcome one welcome all You are welcome to the amusement park Lots of toys an goodies to win Full of death and romance to begin

Take a journey around the place Have some cotton cnady and love Watch the skies turn to black But that doesn't mean you can go home The show isn't over Get ready for the rise But don't forget to bring your prize Remember not to forget your prize 2x
