Where did I go?  
This is not the real me  
I don't know  
Cause I'm a different person  
Can't you see  
I can't live like this  
Any longer.  
I gotta be tough  
And I gotta be more stronger

Where did I go?  
This is not the real me  
I don't know  
Cause I'm a different person  
Can't you see  
I can't live like this  
Any longer.  
I gotta be tough  
And I gotta be more stronger

Where did I go?  
This is not the real me  
I don't know  
Cause I'm a different person  
Can't you see  
I can't live like this  
Any longer.  
I gotta be tough  
And I gotta be more stronger
