I judge by what she's wearing  
Just how many heads I'm tearing  
Off of assholes coming on to her  
Each night it seems like I'm getting worse

And I'd wish she'd take the night off  
So I don't have to fight off  
Every asshole coming on to her  
It happens every night she works

They'll go and ask the DJ  
Find out just what would she say  
If they all tried coming on to her  
Don't they know it's never going to work

They think they'll get inside her  
With every drink they buy her  
As they all try coming on to her  
This time someone's getting hurt  
Here comes the next contestant

Is that your hand on my girlfriend  
Is that your hand  
I wish you'd do it again  
I'll watch you leave here limping  
I wish you'd do it again  
I'll watch you leave here limping  
Here comes the next contestant

I even fear the ladies  
They're cool but twice as crazy  
Just as bad for coming on to her  
Don't they know it's never going to work

Each time she bats an eyelash  
Somebody's grabbing her ass  
Everyone keeps coming on to her  
This time somebody's getting hurt  
Here comes the next contestant

Is that your hand on my girlfriend  
Is that your hand

I wish you'd do it again  
I'll watch you leave here limping  
I wish you'd do it again  
I'll watch you leave here limping  
Here comes the next contestant

I'm hating what she's wearing  
Everybody here keeps staring  
Can't wait till they get what they deserve  
This time someone's getting hurt  
Here comes the next contestant

Is that your hand on my girlfriend  
Is that your hand  
I wish you'd do it again  
I'll watch you leave here limping  
I wish you'd do it again  
I'll watch you leave here limping  
Here comes the next contestant

I wish you'd do it again  
Each night seems like it's getting worse  
I wish you'd do it again  
This time somebody's getting hurt  
There goes the next contestant
