Nobody on the road
Nobody on the beach
I feel it in the air
The summer's out of reach
Empty lake, empty streets
The sun goes down alone
I'm driving by your house
Though I know you're not home

But I can see you
Your brown skin shining in the sun
You got your hair combed back and your sunglasses
on, baby
And I can tell you my love for you will still be strong
After the boys of the summer have gone

I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy
Remember how I made you scream
Now I don't understand what happened to our love
But babe, I'm gonna get you back
I'm gonna show you what I'm made of

But I can see you
Your brown skin shining in the sun
I see you walking real slow and you're smiling at
everyone
I can tell you my love for you will still be strong
After the boys of the summer have gone

Out on the road today, I saw a black flag sticker on a
Cadillac
A little voice inside my head said "Don't look back; you
can never look back"
I thought I knew what love was
What did I know
Those days are gone forever
I should just let them go but

I can see you
Your brown skin shining in the sun

You got that hair slicked back and those wayfarers on,
baby
I can tell you my love for you will still be strong
After the boys of the summer have gone
