Ohh ohhh ohh ohh  
Ohh ohhh  
Is in ..

Chorus:

Hold on to me in case I fall  
We gather see the day break  
The night ain't over and I want some more  
It will be rude to end this way.  
Hold on to me in case I fall  
We kept to see the .  
The night ain't over and I want some more  
It will be rude to end this way.

Hold on to me in case I fall  
We gather see the day break  
The night ain't over and I want some more  
It will be rude to end this way  
It will be rude to end this way  
It will be rude to end this way

Hold on me  
Hold on 'cause in fall  
Is falling the morning  
And I'm still here  
Need you now  
Don't disappear  
It's getting closer  
I need some more  
So don't escape  
You're almost ..  
'cause I will still be standing  
'cause I will still be standing

2 x

Hold on to me in case I fall  
We gather see the day break  
The night ain't over and I want some more  
It will be rude to end this way

It will be rude to end this way

It will be rude to end this way  
It will be rude to end this way

Chorus

Hold on to me in case I fall  
We gather see the day break  
The night ain't over and I want some more  
It will be rude to end this way

2 x

It will be rude to end this way  
It will be rude to end this way  
It will be rude to end this way

It will be rude to end this way, way way way.
