Who who who  
Wants to be wise  
When they're 17, when they're 17  
Got girls to see and a world to conquer  
Oh, you're so smart when you're 17 oh  
When you're 17 oh

Today has been OK  
Broken two girls hearts  
But I don't give a fuck  
I don't give a fuck

And I'm sorry that I  
Lied to you  
Shoplifting is easy  
Or else I wouldn't be passing this popper getting ECD

Who who who  
Wants to be wise  
When they're 17, when they're 17  
Got girls to see and a world to conquer  
Oh, you're so smart when you're 17 oh  
When you're 17 oh

This is for  
The hearts  
Still, still beating  
This! ? Is! ? For! - The hearts!  
This is for the hearts still beating! Still beating!  
Still beating! Beating! BEATING!

Who who who  
Wants to be wise  
When they're 17, when they're 17  
Got girls to see and a world to conquer  
Oh, you're so smart when you're 17 oh  
When you're 17 oh
