Don't get too emotional about
Things you can change
Cos someday we're all gonna be proud parents and
Someday we will not be crushing bodies anymore and
Someday we'll look back and say
Those were the days I really lived
Those were the days I really lived
Those were the days I really lived
Those were the days

Eg hugs, eg hugs
Eg hugs all of mikid (x4)

So let's forget this thing and
Throw it all away and say
Forget the script, forget the lyrics

Forget the script, forget the lyrics (x4)

Let's sing for one last time (x2)

Ba-da ba-da ba-da ba-da ba ba (x14)
