Hey!  
I've got something to say  
I like life  
Staying this way  
My shop lifting's been okay (Okay, Okay Okay, Okay)  
It has been till this day

Shop lifting's never been  
Easy  
Shop lifting's never been  
Easy

Hey!  
It's only been a hell of a day  
You know what is best  
Just letting the rest  
Off your chest  
After the fighting test  
Fighting test

Shop lifting's never been  
Easy  
Shop lifting's never been  
Easy

I'm a villain (x4)

I'm a villain oh-ho, oh-ho, oh-ho (x4)

I'm a villain
