Another night downtown  
Listening to the...  
Soul compositions  
And I'm thinking...  
What did I do...  
What did I do to deserve this shit?

Jump around around around around around  
To the sounds of mediocrity  
Of mediocrity  
Jump around  
To the sounds  
Of me-  
Dio-  
Ccity

But the crowd  
With the low IQs  
Keeps on dancing  
To the so called Blues

Nothing but kitsch  
Nothing but kitsch  
Nothing but kitsch  
Nothing but kitsch ass motherfuckers  
Nothing  
But kitsch  
Nothing but kitsch ass motherfuckers.

And I tell you  
Some people are just destined for desk jobs  
And desk jobs only  
And no matter what I say  
They keep on playing  
And they keep on playing anyway

And it goes on  
And on  
And on  
And on  
And on and on and on and on

Jump around around around around around  
To the sounds of mediocrity  
Of mediocrity  
Jump around  
To the sounds  
Of me-  
Dio-  
Cirty
