It's Monday and I'm in vain  
Stuck in the mundane  
It's Monday, It's Monday and I'm in vain  
Oh life, is so bad to me

Woke up early this morning  
And I thought to myself  
"I've nothing to live for"  
I've nothing to look forward too  
Except next weekend  
Because there will be a dance revolution  
Dance revolution

It's Monday and I'm in vain  
Stuck in the mundane  
It's Monday, It's Monday and I'm in vain  
Oh life, is so bad to me

Dance revolution  
Do the dance revolution

And I, And I, And I  
Thought to myself  
"I've nothing to live for"  
Except next weekend  
Because there will be a dance revolution  
Dance revolution  
D-D-D-D-D-D-D-D Dance Dance Dance Dance Revolution  
Dance revolution  
Dance dance dance dance revolution
