Hey!
I've got something to say
I like life
Staying this way
My shop lifting's been okay (Okay, Okay Okay, Okay)
It has been till this day

Shop lifting's never been
Easy
Shop lifting's never been
Easy

Hey!
It's only been a hell of a day
You know what is best
Just letting the rest
Off your chest
After the fighting test
Fighting test

Shop lifting's never been
Easy
Shop lifting's never been
Easy

I'm a villain (x4)

I'm a villain oh-ho, oh-ho, oh-ho (x4)

I'm a villain
