It's Monday and I'm in vain
Stuck in the mundane
It's Monday, It's Monday and I'm in vain
Oh life, is so bad to me

Woke up early this morning
And I thought to myself
"I've nothing to live for"
I've nothing to look forward too
Except next weekend
Because there will be a dance revolution
Dance revolution

It's Monday and I'm in vain
Stuck in the mundane
It's Monday, It's Monday and I'm in vain
Oh life, is so bad to me

Dance revolution
Do the dance revolution

And I, And I, And I
Thought to myself
"I've nothing to live for"
Except next weekend
Because there will be a dance revolution
Dance revolution
D-D-D-D-D-D-D-D Dance Dance Dance Dance Revolution
Dance revolution
