Hundred ways

Theres 100 ways to say I love you  
and As many days to show I care  
whoa whoa whoa  
if you say those words I'll make you mine  
and as time goes by our love will shine  
so baby say you love me  
and I will always treat you right  
and someday if you need me I'll be right there at your  
side

Theres 100 ways to say I love you  
and As many days to show I care  
whoa whoa whoa  
if you say those words I'll make you mine  
and as time goes by our love will shine

Did you notice I've got a funny grin  
Are you movin'  
Cause to me thats the way it seems

so baby say you love me  
and I will always treat you right  
and someday if you need me I'll be right there at your  
side

Theres 100 ways to say I love you  
and As many days to show I care  
whoa whoa whoa  
if you say those words I'll make you mine  
and as time goes by our love will shine  
so baby say you love me  
and I will always treat you right  
and someday if you need me I'll be right there at your  
side

Did you notice I've got a funny grin  
Are you movin'  
Cause to me thats the way it seems

so baby say you love me  
and I will always treat you right  
and someday if you need me I'll be right there at your  
side

Theres 100 ways to say I love you  
and As many days to show I care  
whoa whoa whoa  
if you say those words I'll make you mine  
and as time goes by our love will shine
