If we tell you that you've got two days to live  
Then don't complain, 'cos that's one more than you'd  
get in Zaire -  
So don't hang around and be foolish  
Do something constructive with your weekend -  
From Monday morning I work for Friday nights  
Collect my wages, then try to paint on the smell of soap  
-  
'Cause tonight I get ready early  
Score what I need and go pick a girl up  
It seems like ages since we had some fun -  
Here comes the weekend - I get to see the girls  
Long live the weekend, the weekend is here  
(the weekend starts here)  
Everything feels right now  
I know why I'm alive now  
Everything else is a lie now  
Now I know why I'm here  
Here comes the weekend - I'm gonna do my head  
Long live the weekend, the weekend is dead
