"NO ONE IN THE WORLD"

Come down - your tea is on the table
Nothing seems to matter anymore
And if you're good we'll go out on Sunday
Spend the whole day thinking of you
Take you sailing across the water
To a faraway place
Remember when life was lovely
Forever was captured in your smile
When we were young and life was hopeful
No one threatend our existence
We were laughing
They couldn't stop us
No one in the world

Remember when life was lovely
Forever was captured in your smile
When we were young and life was hopeful
No one threatend our existence
We were laughing
They couldn't stop us
No one in the world
