"THE GIFT"

Move - move - I've got the gift of life
Can't you see it in the twinkle of my eye
I can't stand up and I can't sit down
I gotta keep movin' - I gotta keep movin'
All the time that gets wasted hating
Why don't you move together and make your heart feel
better

Groove - groove - to the beat of this drum
Feel it in the wind and the warmth of the sun
Don't sit down and don't stand up
Keep on movin' - keep on movin'

Think of the future and make it grow
Why don't you move together an' make your heart feel
better

Take a pinch of white and pinch of black
Mix it together and make a movin' flavour -

Take a pinch of white and pinch of black
Tell you move together an' make your heart feel better
-

Move - move - we got the gift of life
Go and shout it from your roof mountain top
Give it to me once and give it to me twice
We gotta keep movin' - we gotta keep movin'!
