ALL AROUND THE WORLD - Paul Weller

Oi!

All over the country

(We want a new direction)

I said all over this land

(We need a reaction)

Well there should be a youth explosion

(Inflate creation)

But something we can command

What's the point in saying destroy

I want a new life for everywhere

We want a direction

(All over the country)

I want a direction

(All over this land)

Because this is your last chance

You can't dismiss what is gone before

But there's foundations for us to explore

I said -

All around the world I've been looking for new -

Youth explosion!

A new direction -

We want a reaction -

Inflate creation -

Looking for new!
