## "Boy About Town"

See me walking around  
I'm the boy about town that you've heard of  
See me walking the streets  
I'm on top of the world that you've heard of

Oh, like paper caught in wind  
I glide up street, I glide down street  
Oh, it won't let you go  
Till you finally come to rest and someone picks you up  
Up street, down street  
And puts you in the bin

Oh, I'm sitting watching rainbows  
(Sick)  
I'm sitting here watching the people go crazy  
Oh, please leave me aside  
I want to do what I want to do and  
I want to live how I want to live and

Up street, down street  
Like paper caught in wind  
Up street, down street  
It won't let you go
