Picked you up and let you down
And I never said a word
But I'm different now and I'm glad
That you're my girl

Mess you 'round and upset you
I hurt you most of all
But I'm different now and I'm glad
That you're my girl

Fun lasts for seconds, love lasts for days but
But you can't have both
And I'm different now but I'm glad
That you're my girl

Because I know I done some things
That I should never have done
But I'm different now and I'm glad
That you're my girl
