I sat alone with the dreams of children
Weeping willows and tall dark building
I've caught a fashion from the dreams of children
But woke up sweating from this modern nightmare,
and

I was alone, no one was there
I was alone, no one was there

I caught a glimpse from the dreams of children
I got a feeling of optimism
But woke up to a gray and lonely picture
The streets below left me feeling dirty, and

I was alone, no one was there
I was alone, no one was there

Something's gonna crack on your dreams tonight
Something's gonna crack on your dreams tonight
Oh, I'm gonna crack on your dreams tonight
You will crack on your dreams tonight

Something's gonna crack on your dreams tonight
You will crack on your dreams tonight

I fell in love with the dreams of children
I saw a vision of all the happy days
I've caught a fashion from the dreams of children
But woke up sweating from this modern nightmare,
and

I was alone, no one was there
I was alone, no one was there

Something's gonna crack on your dreams tonight
Who's gonna crack on your dreams tonight
Something's gonna crack on your dreams tonight
You will crack on your dreams tonight

Something's gonna crack on your dreams tonight
You will choke on your dreams tonight
Something's gonna crack on your dreams tonight

You will crack on your dreams tonight

Something's gonna crack on your dreams tonight

You will crack on your dreams tonight

You will crack on your dreams tonight

You will crack on your dreams tonight

You will choke on your dreams tonight

You will crack on your dreams tonight
