Sup up your beer and collect your fags  
There's a row going on down near slough  
Get out your mat and pray to the west  
I'll get out mine and pray for myself  
Thought you were smart when you took them on  
But you didn't take a peep in their artillery room  
All that rugby puts hairs on your chest  
What chance have you got against a tie and a crest

Hello hurray what a nice day for the Eton rifles Eton  
rifles  
Hello hurray I hope rain stops play with the Eton rifles,  
Eton rifles

Thought you were clever when you lit the fuse  
Tore down the house of commons in your brand new  
shoes  
Compose a revolutionary symphony  
Then went to bed with a charming young thing

Hello hurray cheers then mate it's the Eton rifles Eton  
rifles  
Hello hurray an extremist scrape with the Eton rifles  
Eton rifles

What a catalyst you turned out to be  
Loaded the guns then you run off home for your tea  
Left me standing - like a guilty schoolboy

What a catalyst you turned out to be  
Loaded the guns then you run off home for your tea  
Left me standing - like a naughty schoolboy

We came out of it naturally the worst  
Beaten and bloody and I was sick down my shirt  
We were no match for their untamed wit  
Though some of the lads said they'll be back next week

Hello hurray there's a price to pay to the Eton rifles  
Eton rifles  
Hello hurray I'd prefer the plague to the Eton rifles Eton

rifles
